

AMERICAN ASSEMBLY OF COLLEGIATE SCHOOLS OF BUSINESS

June 23, 1980

Ralph Sorensen, President
Babson College
Babson Park, Mass. 02157

Dear President Sorensen:

It is my pleasure to inform you that the School of Management, Babson College, by unanimous vote of the member schools of the AACSB Accreditation Council, was granted accreditation of its baccalaureate programs. The rigorous standards employed make attainment of baccalaureate level accreditation an achievement for which the School of Management and your university may be justifiably proud. This achievement also signifies the belief of the Accreditation Council that the School of Management can be reasonably expected to continue the fine progress which it has demonstrated to date. //

On behalf of the American Assembly of Collegiate Schools of Business, I extend to you, Dean Burak and the faculty our warmest congratulations.

Sincerely,

Schuyler F. Otteson
President
