AMERICAN ASSEMBLY OF COLLEGIATE SCHOOLS OF BUSINESS

May 21, 981

MAY 29 1981

Ralph Z. Sorenson, President
Babson College
Babson Park, MA 02157

Dear President Sorenson:

It is my pleasure to inform you that the School of Management, Babson College, by unanimous vote of the member schools of the AACSB Accreditation Council, was granted accreditation of its masters programs. The rigorous standards employed make attainment of masters level accreditation an achievement for which the School of Management and your college may be justifiably proud. This achievement also signifies the belief of the Accreditation Council that the School of Management can be reasonably expected to continue the fine progress which it has demonstrated to date.

On behalf of the American Assembly of Collegiate Schools of Business, I extend to you, Dean Copen, and the faculty our warmest congratulation

Sincerely,

Bill R. Moeckel
