2009-2010 Graduate Student Handbook Amendment

Amendment III: Grade Policy for Transferring to other MBA Programs

ACADEMIC POLICIES p. 8 - 20

New Policy:

If a current student transfers from one Babson MBA program to another (e.g. Fast track to Evening), only the eligible credits transfer over. In cases where a final grade is available (e.g. elective courses), the final grade will appear on the transcript and will be used to calculate the students final program GPA. If a final grade is not available (e.g. credit earned for successfully demonstrating competency in an integrated portion of curriculum), an asterisk will appear on the transcript in place of a grade.
