# Your Choice

## When You Choose Preferred Providers.

You receive the highest level of benefits under your health care plan when you obtain covered services from preferred providers. These are called your “in-network” benefits. You can also obtain covered services from non-preferred providers, but your out-of-pocket costs are higher. These are called your “out-of-network” benefits.

Generally, you have full coverage for most hospital, physician, and other provider covered services. And, for some outpatient services, you pay a **\$15** copayment for each visit.

Please note: If a preferred provider refers you to another provider for covered services (such as a lab or specialist), make sure the provider is a preferred provider in order to receive benefits at the in-network level. If the provider you use is not a preferred provider, you’re still covered, but your benefits will be covered at the out-of-network level, even if the preferred provider refers you.

## How to Find a Preferred Provider.

There are several ways to find a preferred provider:

- Look up a provider in the preferred provider directory. If you need a copy of your provider directory, call Member Service at the number on your ID card.
- Visit the Blue Cross Blue Shield of Massachusetts website at [www.bluecrossma.com](http://www.bluecrossma.com) for Massachusetts providers.
- Visit the BlueCard® Provider Finder website at [www.bcbs.com/healthtravel/finder.html](http://www.bcbs.com/healthtravel/finder.html).
- Call the BlueCard Program at **1-800-810-BLUE (2583)**, 24 hours a day, seven days a week.

## When You Choose Non-Preferred Providers.

You must pay a plan-year deductible for most out-of-network covered services. The plan-year deductible begins on August 18 and ends on August 17 of each year. The deductible is **\$250** for each member. After you have met your deductible, you pay **20 percent** co-insurance for most out-of-network covered services. When the money you pay for the **20 percent** co-insurance equals **\$1,000** in a plan year, benefits will be provided in full for those covered services, based on the allowed charge, for the rest of that plan year.

## Emergency Room Services.

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call 911 (or the local emergency phone number). You pay a **\$50** copayment per visit for in-network or out-of-network emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. There is no deductible for these services.

## Utilization Review Requirements.

You must follow the requirements of Utilization Review, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Home Health Care, and Individual Case Management. Information concerning Utilization Review is detailed in your subscriber certificate. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. If you do not notify Blue Cross Blue Shield and receive pre-approval, your benefits may be reduced or denied.
